The West Ballroom offers 45,000 square feet of multi-purpose carpeted space with the ability to host banquets, general sessions and tradeshows. This level has a floor weight capacity of 250 pounds/square foot. Two freight elevators (cap: 9'h x 9'w x 19'l, door: 8'h x 9'w), one with a weight capacity of 20,000 pounds and the second with a 10,000 pound capacity, provide easy accessibility to the West Ballroom from the loading dock area.

To enhance the line of sight for stage productions, retractable telescopic riser seating for 1,200 with padded seats and arm rests is available. Numerous rigging points with weight capacities ranging from 300 to 2,000 pounds per point each allow the room to accommodate banners and elaborate lighting displays.

The Street Level features our 45,600 square-foot North Ballroom with 25,000 square feet of pre-function space, and a porte cochere pull-in for guest drop off. This exquisite ballroom includes a fully automated audiovisual system including dimmable lighting, sound system, and production balcony. The unique ceiling treatment is complemented by metallic fabric kites designed to replicate the desert sky with a rigging capacity of 2,500 pounds per point. The North Ballroom, the largest ballroom in the State of Arizona, boasts high-end wood finishes inset with decorative lighting to create an elegant setting for any occasion.

This level also features 28 meeting rooms with more than 43,000 square feet of meeting space and includes four unique outdoor patios, each offering between 720 to 900 square feet of useable space for receptions to provide the perfect outdoor dining experience in the beautiful Arizona weather.

The *metroMarché* food court offers four themed eateries as well as yogurt and coffee bars, providing a variety of dining options for guests. A relaxing gathering place for breaks, the *metroMarché* also offers free WiFi and flat screen TVs.

The convention center's satellite ticket office, information desk and The UPS Store Business Center are also located on the Street Level. The street level location offers convenient back-of-house load-in access.

The Upper Level Exhibition Hall offers 190,000 square feet of virtually column-free exhibit space with a 300 pounds/square foot floor weight capacity and rigging capacity of 2,500 pounds per point. Columns are located on the east and west perimeters of the hall allowing for a clear span of 237 feet through the center of the room. The Exhibition Hall's concrete floors are scored on a 10' x 10' grid and a 30' x 30' utility grid to expedite the move-in process. Three permanent Metro Bistros provide convenient dining options for guests on this level.

Accessible by a semi-truck ramp with a clearance height of 16', the 300 Level loading dock has 18 truck bays, three ramps and three convenient roll-up doors (22'w x 16'h, 22'w x 16'h and 18'w x 17'h). The level also features a dedicated dock office and three show offices that overlook the show floors.

33,000 square feet of expansive pre-function space is located just outside the 300 Level Exhibition Hall, providing a perfect location for registration and/or various event functions. An enclosed pedestrian bridge connects the West and North buildings.

The Phoenix Convention Center ranks among the top 25 largest convention centers in the U.S. Offering nearly 900,000 square feet of meeting space with 13 exhibit halls, 99 meeting rooms and three ballrooms. The Phoenix Convention Center’s state-of-the-art design captures and exhibits the unique geographical features of Arizona. The facility’s accessible layout features a stacked floor plan to accommodate multiple groups simultaneously.

The Phoenix Convention Center, a LEED-silver certified green building, has received recognition for its sustainability efforts. The center features many green amenities throughout its facility and incorporates sustainable initiatives into daily operations. As an active participant in the Green Meetings Market, the Phoenix Convention Center has hosted the U.S. Greenbuild Conference and several other green meetings and events.

Artwork has been a critical component of the Phoenix Convention Center since it originally opened in 1972. Building upon a commitment to the arts, the convention center participates in the city of Phoenix Office of Arts and Culture Public Art Program. As part of the Phoenix Convention Center expansion, a \$3.2 million public art project commissioned 10 artists to create new artwork for the West and North Buildings.
